What is your relationship to the child?	Possible options include mother, father, grandparent, childcare provider and other (eg, sibling over age of 18) We know the main key caregiver is often the mother. Through initiatives like Cocreate we are aiming to increase our engagement with fathers, whilst areas such as Tulse hill have a high childcare provider footfall.	4. What is your relationship to the child? ○ Mum ○ Dad ○ Grandparent ○ Child care provider ○ Other (please specify): [_____] 5. Have you heard of LEAP? ○ Yes ○ No ○ Unsure 6. Want to know more about LEAP and free activities in your local area? ○ Yes ○ No
Heard of LEAP before?	There are lots of parents who know and are familiar	

	with LEAP. But there is an equal amount who are unsure. They are instead familiar with a session or activity run by a LEAP provider or service. A 'no' or 'unsure' response helps us to explore interest and appropriate opportunities further. A 'yes' response helps us to ensure the individual is up to date with LEAP offers and activities applicable to their child's age.	What's your postcode? By checking your postcode we can find out which sessions may be most relevant to you. **Postcode checker** **7. Relevant LEAP area selected** ○ Vassall ○ Stockwell ○ Tulse Hill ○ Coldharbour ○ Not in LEAP area
Short description of LEAP **Want to know more?**	Yes – proceed No – we finish Makita **has attempted** to engage with the parent/carer.	**5. Child's age** **8. We can give you tailored information about the services and activities available for you and your little one. Postcode checker	By checking their postcode, we can see which sessions may be most relevant to them by location and whether they are in the LEAP area or not. We can also keep track of how many parents who engage with the tool are LEAP or non-LEAP and whether this is in line with other figures.	**6. Pregnant** **Pregnancy** **Baby Steps** 9-week group that prepares parents-to-be for having a baby, becoming parents and giving their baby the best possible start. Learn ways to reduce stress and how to care for a new baby, as well as meeting other local parents and becoming more aware of local services. **Breastfeeding Peer Support** Offers practical, emotional and informational support about breastfeeding for local parents. Support is available both one-to-one at your home or in a local community setting. There are also breastfeeding support groups held in LEAP children's centres and online. **Breastfeeding Network Walking Group:** 11am - 12:15pm every 3rd Thursday of the month at Brockwell Park.
What is the age of your child?	List of options in accordance with LEAP provision. If parent/carer is pregnant and/or has multiple children, then this selection will enable Makita to scroll down to all applicable provision. Skip logic is applied to go to the most relevant page.	**CAN (BMI over 25)** 8-week group that supports pregnant women to make healthy lifestyle changes and to change their behaviour in relation to dietary intake and physical activity. This is eligible for pregnant women with a BMI 25 and over. **Caseload Midwifery** A midwifery service that offers continuity of care by a named midwife and a small team throughout pregnancy, labour, birth and the postnatal period. This continuity helps create closer, more trusting relationships between families and their midwives.
